28. Waterloo Community Schools

- **Subject Areas Covered:** Reading, math
- **Grade Levels to be Served:** K-8
- **Number of Students to be Served:** Unlimited
- **Service Area:** Waterloo CSD
- **Time of Service:** Before/After school
- **Student/Instructor Ratio:** 2-8/1
- **Cost:** \$5-\$20/student depending on group size
- **Approved:** 04/04
- **Renewal:** 08/10
- **Program Description:** Waterloo’s supplemental services program provides individual, small group and whole group instruction in reading and math. The program is intended for students experiencing difficulty in meeting the district’s requirements in reading and math. The program is an extension of the student’s day and the focus of instruction is based on the student’s specific needs based on assessment and collaboration between the student’s teacher and the supplemental services instructor.
